

Changes to visiting at ASPH

Adult inpatients are allowed a daily visit from a relative carer or friend for one hour each day

To book a visit appointment, visitors must call the dedicated telephone line 01932 723318 between 10.00 – 16.00, Monday to Friday

Visiting for Children's Wards, Maternity, A&E and ITU is being managed locally. Please contact the relevant department for more information

Visitors are no longer required to lateral flow test before visiting the hospital, but should not come into the hospital site if they have any symptoms of COVID-19

All infection prevention and control measures remain in place across the Trust, this includes temperature checks, sanitising hands, social distancing and wearing a surgical face mask inside the hospital
